INTRO 2X

VERSE 1

Lord, I wandered through the wilderness
Stranded in the desert wastes
O my soul was lost in bitterness
No way to find the city lights
But in the dust I knelt and cried to You
Asking for delivery
God, You came and then You rescued me
Again Your steadfast love for me

TURNAROUND

VERSE 2

Lord, I stumbled in my misery
In iron self-afflicted chains
My rebellion lead to suffering
I turned away from grace again
And In my chains I fell and cried to You
Asking for delivery
God, You broke the bars of misery
Again Your steadfast love for me

REFRAIN 1

Ohh-
Again Your steadfast love for me

TURNAROUND

VERSE 3

Lord, I hungered for the things of earth
Anything that satisfied
Without hope or place to put my worth
I drew near the gates of death
At those gates I knelt and cried to You
Asking for delivery
God, You came and called my soul redeemed
Again your steadfast love for me

REFRAIN 2

Ohh-

BRIDGE 1 2X

However dry the season
However high the waves
I know you'll rescue me
Like You have always
Your loving-kindness sees me
Your constant grace surrounding
I know You'll rescue me

VERSE 4

Lord, I sailed the seas of stormy waves
Courage stripped away from me
With no chance of seeing life again
Drowning in disparity
On the seas I fell and cried to You
Asking for delivery
God, Your whisper spoke the waves to cease
Again your steadfast love for me

REFRAIN 3

Ohh-
Ohh-
Again Your steadfast love for me
