You are all I'm after  
Jesus, take me deeper  
Your presence, there's nothing sweeter  
My portion, I'm Yours forever

All I want, all I crave is You  
So when everything else fades

Give me Jesus, give me Jesus  
Nothing else satisfies, for all of my life  
I'm seeking Jesus, give me Jesus  
Going back to the start, with all of my heart I'm chasing You

Can satisfy, You're so much better  
For all my days I'll draw closer  
No, I can't get enough, You're my treasure

Every step, every breath for You  
Oh nothing else will do

Going back to the start, with all of my heart I'm chasing You
